New Hair Growth After BALDNESS

HAIR GROWN ON MR. BRITTAIN'S BALD HEAD BY INDIANS' MYSTERIOUS HAIR GROWER

My head at the top and back was absolutely bald. The scalp was shiny. An expert said that as he thought the hair roots were dead and that there was no hope of my ever having a new hair growth. Yet now, at an age over 60, I have a luxuriant growth of soft, strong, lustrous hair! No trace of baldness. The pictures show here are my photographs.

Indians' Secret of Hair Growth

At a time when I had become discouraged at trying various hair lotions, tonics, specialists' treatments, etc., I came across, in my travels, a Cherokee Indian "medicine man" who had an elixir that he asserted would grow my hair. Although I had but little faith, I gave it a trial. To my amazement a light fuzz soon appeared. It developed, day by day, into a healthy growth, and ere long my hair was as prolific as in my youthful days.

Just as astonished and happy in expressing my state of mind mildly. Obviously, the hair roots had not been dead, but were dormant in the scalp, awaiting the fertilizing power of the mysterious elixir. I suggested for and came into possession of the principle for preparing this mysterious elixir, now called Kotalko, and later had the recipe put into practical form by a chemist.

That my own hair growth was permanent has been amply proved. Many men and women, also children, have reported satisfactory results from Kotalko.

How YOU May Grow YOUR Hair

My honest belief is that hair roots rarely die even when the hair falls out through dandruff, fever, excessive dryness or other disorders. I have been told by experts that often when the roots become imbedded within the scalp, covered by hard skin, so that they remain for a time like bulbs or seeds in a bottle which will grow when fertilized. Shampoo (which contains alkali) and hair lotions which contain alcohol are enemies to the hair, as they dry it, making it brittle. Kotalko contains those elements of nature which give new vitality to the scalp and hair.

PROVE FOR YOURSELF

Get a box of the genuine Kotalko at a reliable druggist's \$3.00.00 GUARANTEED with each box. A small testing box of Kotalko (with testimonials, etc.) may be obtained by sending ten cents, silver or stamp, to my address below.

Spring Find You Weak and Worn?

HAS Winter left you dull, tired; all worn out? Do you have a constant back-ache, with headaches, too, dizzy spells, sharp, shooting pains and some annoying kidney irregularity? Does Spring find you feeling older, slower than you should? From a health standpoint it has been a trying winter. The influenza and grip epidemics have left thousands with weak kidneys and failing strength. Now comes Spring with its own special burdens of impure blood to impose a still greater burden on the overworked kidneys. Don't wait for some serious kidney trouble to develop. Get back your health and keep it. For quick relief get plenty of rest, sleep and exercise, and help the weakened kidneys with Doan's Kidney Pills. Doan's have helped thousands and should help you. Ask your neighbor!

These Are Memphis Cases:

North Dunlap Street	North Main Street	Sixth Street
Mrs. E. E. Young, 623 N. Dunlap St., says: "I suffered awful attacks with weak back and my kidneys didn't act as they should. Often severe headaches came over me and caused my eyes to blur and I was in pretty bad shape. I used Doan's Kidney Pills, after I had tried several remedies without results, and Doan's entirely cured me. I have had no return of the trouble since." (Statement given June 19, 1917.)	John Tyler, jeweler, 424 N. Main St., says: "No-body could have a higher regard for Doan's Kidney Pills than I have. Some years ago, after recovering from a severe cold, I was taken with severe pains through my right kidney and in the small of my back. I couldn't move about without pain and finally was unable to attend to my business. Doan's Kidney Pills made a great change, and after using two more boxes, I was completely freed from the pains in my back."	Mrs. W. A. Brown, 630 Sixth St., says: "I have suffered from kidney complaint nearly all my life. I got so bad I could hardly move because of the pains, which felt as if someone had stabbed me in the back. My head ached most of the time, I had no ambition, and I was in pretty bad shape. I was reading of Doan's Kidney Pills, so I got a supply at the Chelsea Drug Co. They fixed me up in good shape and I have had no return of the trouble since."
On April 29, 1918, Mrs. Young said: "Whenever I have used a kidney remedy since giving my last endorsement for Doan's Kidney Pills I have always taken Doan's and they have never failed to bring relief."	OVER NINE YEARS LATER, Mr. Tyler said: "I can't speak too highly of Doan's Kidney Pills. The cure they gave me has been lasting."	Mrs. C. O. Marr, 284 Gaston Avenue, says: "My kidneys were out of order and I felt dull and languid. I tired easily, my kidneys didn't act properly and my condition was pretty bad. I used Doan's Kidney Pills and they soon relieved me of this trouble. Others of my family have also used this remedy with fine results."

The above statement was given June 29, 1918, and on April 27, 1918, Mrs. Marr added: "I have the same good opinion of Doan's Kidney Pills now as when I endorsed them before. I have never had to take a kidney remedy since that time, and I wish to confirm my former endorsement."

NO package of Doan's Kidney Pills is genuine unless it bears the maple-leaf trade-mark and the signature "Jas. Doan."
